Greetings Melisa,

I will bring with me Letters that did not seem to circulate to the commissioner.

I am hoping that the two attached documents can be sent to the commissioners it is what I prepared for myself and what Pam O'Connor prepared and clearly it will not fit in a 10 minutes so I am hoping the commissioners will have a chance to read it in light of the huge amount of information they have to handle.

I also would like to request that the owner of the property present first so we can also address any items that they may raise.

Melissa — neither the 8150 Property Owners nor any of their representatives will be testifying at the 15 September Cultural Heritage Commission meeting. Please however, find attached a letter from our Attorney regarding the Lytton Savings Nomination. I am directing this letter to your attention and would ask that you please distribute to the Members of the Commission and place in the Application File. Thank you. Richard
